22nd Annual Tree of Lights

The 'Tree of Lights' is a hospice tradition around the world. Your donation will illuminate a light in memory of, or to honour, a loved one and will help us continue to offer our much-needed service to our residents and families.

*Please join us for the lighting of our tree, carol singing, hot cider and dessert at the Ian Anderson Resource Centre
Sunday, December 2nd at 5:00 p.m.*
